Dear Sir:

Please enter the following Comments on the Statement of Reasons for Allowance.

COMMENTS

The applicant generally agrees with the Examiner's determination that the prior art does not teach the invention claimed in the allowed application. However, the applicant does not necessarily agree with the Examiner's characterization of the teachings of the prior art or the Examiner's interpretation of the claims of the application. The specification and the prosecution history in their entirety provide the basis for allowability of the claims.

Respectfully submitted,
/brian c. rupp/
